SALARY PLACEMENT FOR UNIT MEMBERS WITHOUT CREDENTIALS

Unit members hired without a preliminary credential will be placed at A-1 on the adopted salary schedule and will remain at that step until a preliminary credential is obtained. When the unit member provides the District with documentation showing that a preliminary credential has been obtained, the employee's salary placement will be revised to give full credit for accepted years of experience and units of professional growth. The unit member's compensation for this new placement is not retroactive.
